ANGELA

(FILTERED, ON PHONE)

Hey, sweetie. Are you heading home?

SWIPE

Soon. Just finishing my last job, stopping to say adios to Manny, get paid, and I'll be on my way.

ANGELA

You're still working? I thought you were going to come home early. Jesus, it's pouring out there.

SWIPE

It's just one last run. Real rush. Manny needed me.

ANGELA

You don't owe him anything. Is this about that record? Five years? You know that doesn't mean —

SWIPE

Angie, honey, it's no big deal. Seriously, the deadline's five o'clock anyway. And it won't take me that long. I'll be home by six. Tops.

ANGELA

Look, it's just that I was counting on you to... I think we can get that venue up off of New York Avenue, but I wanted to get back to them today. They're filling up, so I need to check on dates.

SWIPE

I told you, I'm on a delivery. But it's really no big. I can walk and chew gum at the same time.

ANGELA

No, we don't... just call me when you have a chance to pull over. This just makes me all tense.
