ISA

(FILTERED, ON PHONE)

You're seriously still working? In this?

SWIPE

Um... Isa? I... yeah, I'm working. Why do you care?

ISA

Other than caring you don't face-plant when some idiot sideswipes you again? Maybe 'cause Angela has, like, twelve people here at your place.

SWIPE

What are you on about?

ISA

Yeah, moron. This is a big day. She wanted to do something nice for you.

SWIPE

She... but I don't want a party. I'm filthy.

.

ISA

You're the one out in this mess.

SWIPE

I'd be filthy anyway, even on a regular day.

ISA

I don't know her thinking. She wanted to do something fun for you. She knows how tough this is for you, wants to show her appreciation.
