

Quorum - The Messenger's Tale - Side for YERTLE

MANNY

Could've given this to Spider. Still fastest guy I've got on call. Sure you'd be happy with that.

SWIPE

Fighting words, Manny. Spider's fast, but you know how reckless he is. Not to mention a world-class asshat. In this weather? Even odds son of a bitch tanks the job, either from plain idiocy or straight out of spite.

MANNY

Yertle's sitting right here. Sure he'd have been happy to take it.

SWIPE

Slow and steady. Love him, but not winning any races.

YERTLE

(DISTANT, ON PHONE)

Old but bold, baby!

MANNY

But no, I said to myself, "Self, Swipe's a dedicated rider. She deserves this one. Give it to her."
